Opis

Vojvodina ICT Cluster - VOICT provides a single point of contact with the best companies in Serbia, with the total workforce of 3,500+ experienced IT professionals working in our member companies. We build long-term relationships based on trust and quality, bringing expertise, experience and passion for excellence to each and every project.

Vojvodina ICT Cluster is a business association founded through a bottom-up initiative of ICT companies and several supporting institutions. It is a fast-growing organization, strongest in its field in Serbia.
