Description

Plastor LLC is a family company, located in Jagodina, Serbia. The company was first founded in 1995, and we started working as LLC in 2007. We deal in wholesale and retail sale, as well as export and import of different plastic products, used mainly in households. Our company cooperates with 10 biggest Serbian plastic manufacturing companies. In our assortment we have about 4000 products. Another branch of our business is branding plastic products from our assortment for other bigger companies.
